Subject Letter No 5306/182 Dt 17th December 1903 from the Dpt of Edn in Mysore Recommending that the Scholarship of Rs 25 per mensem sanctioned to Mohamad Hyder Ali Khan to enable him to prosecute his studies in the M A O College at Aligarh be raised to Rs 35

With the above letter the Dpt forwards a petition from Mohamad Hyder Ali Khan praying for increase of his Scholarship.

The chief Reasons assigned by the petitioner for the increase applied for are

(1) That he lost the pecuniary help of Rs 10 a month which he was receiving from his eldest brother by the death of the latter

2) So he finds it difficult to

to meet all the college expenses by the present Scholarship of Rs 25

(2) That among the Students in the college holding the Impare Govt Scholarship of Rs 25, he is the only one reading in the college classes and so he has to pay higher tuition fee than the others

(F A)

He adds that there are two classes of Boarding Establishment in the College Viz A class (Superior) and B class (Inferior) and though he has joined the B class he has to pay Rs 26-8-0 as follows —

| | |
|---|---|
| Tuition fees — | 6-0-0 a month |
| Boarding and Lodging | 11-0-0 " |
| Doctor & Establishment | 2-8-0 " |
| Reading Rooms, debating Club etc | 2-0-0 " |
| Riding School fee | 5-0-0 |
| Total | 26-8-0 |

Besides the above Boarding Establishment of Rs 26-8-0 he has to make his own arrangement for the cost of books, clothing etc In these circumstances the petitioner requests that a suitable increase to his Scholarship may be sanctioned.

The DI recommends an increase of Rs 10 to his Scholarship with effect from 1st January 1904

If the recommendation is sanctioned the additional cost involved during the current year will be Rs60 There is no provision in the Budget to meet the cost

According to the above orders of the Dewan Mr. I ql was ~~written~~ to asked to consult the College authorities as to the necessity of raising the Scholarship

He now submits the opinion of the offg Principal of the College which is as follows —

Some increase in the amount would be of great help to the boy who is deserving and promises well
